

AMAL MURALI

PROFILE

Experienced Civil Engineer with two years of proven success as a Site Engineer, coupled with a certification in Building Information Modeling (BIM). Proficient in project management, construction supervision, and BIM software, I am committed to delivering high-quality results while ensuring adherence to safety standards and project timelines. Eager to leverage my skills and contribute effectively to innovative construction projects as a Site Engineer in a dynamic team environment.

WORK EXPERIENCE

- 2022 - 2024
- SITE ENGINEER

RAJ CONSTRUCTION, TRIVANDRUM, KERALA

 - Directed and supervised construction activities on-site, ensuring adherence to project plans, specifications, and timelines.
 - Coordinated with architects, subcontractors, and suppliers to ensure smooth execution of projects and timely delivery of materials.
 - Conducted regular inspections to ensure compliance with quality standards, safety regulations, and building codes.
 - Managed project documentation, including drawings, permits, and progress reports, ensuring accuracy and completeness.
 - Resolved on-site issues and conflicts promptly to maintain project momentum and minimize disruptions.
 - Implemented cost-effective measures to optimize resource utilization and meet budgetary constraints.
 - Provided technical support and guidance to construction teams, ensuring efficient and accurate implementation of plans.
 - Fostered strong relationships with clients and stakeholders, addressing concerns and ensuring satisfaction throughout the project lifecycle.
